<b>Title:</b>	"The title of your paper"
<b>Submitted to:</b>	Journal name
<b>Revision:</b>	1

Dear Editors and Reviewers,

Thank you for providing us with the opportunity to revise our manuscript. We deeply appreciate the time and expertise you have dedicated to reviewing our work, your insightful comments have been instrumental in enhancing the quality of our manuscript.

In response to your suggestions, we have undertaken a thorough revision of the manuscript. As recommended by the editor, to ensure the manuscript meets the high standards of xxxx journal, the entire revised text has been professionally polished by the language editing service from the xxxx, for which the certificate of proofreading is attached. Furthermore, all modifications within the revised manuscript have been highlighted in red font to facilitate your review.

In this letter, we provides a detailed, point-by-point response to each comment raised. This response letter is structured as follows:

- A table of content is provided at the beginning, allowing you to navigate directly to our response for any specific comment.
- The comments from the editor and reviewers are typeset in ***bold italic font*** and enclosed in gray boxes.
- Our corresponding responses are presented in blue boxes.
- The specific textual revisions are showcased in red boxes.

With kind regards,

---
